

The Organization

New Life Psychiatric Rehabilitation Association was established in 1965 and is dedicated to recovery-oriented, people-focused and evidence-based community mental health service development. The Association operates over 70 service units and projects to render residential services, employment and vocational training, community support for 15,000 people in recovery of mental illness and their families, as well as 43,000 people in the general public in mental health education annually. To promote social inclusion and support self-reliance of people in recovery, the Association has established social enterprises in various businesses with a total of 22 projects operating currently. It also specializes in mental health promotion and prevention, research, professional training and development.
