

## **The Organization**

Since 1965, New Life Psychiatric Rehabilitation Association is dedicated to recovery-oriented, people-focused and evidence-based community mental health service development. The Association, with a team of over 1,000 staff members, operates more than 70 service units and projects to render residential services, employment and vocational training, community support for 16,000 people in recovery with mental illness (PIR) and their families, as well as provide mental health education to 48,000 general public annually. As a result of our passionate belief in social inclusion and self-reliance for PIR, we have established different social enterprises with over 20 projects operating currently promoted the well-being message under the brand “330”, which in Cantonese carries the homophonous meaning “body, mind and spirit” – the balance of which we all strive to attain.
